- Uniquely designed for creating beautiful, natural curls
- Professional 200°C styling temperature

Ease of use
- Automatic clip for curling with just one hand
- Slim handle and small size to carry around

Safer usage
- Protects against accidental burns

Gentle on your hair
- Protective ceramic coating

PHILIPS

Easy Natural Curler
Tulip shape One touch clip and curl, Heat safe design, Light and compact

BHH777/00

Highlights

Tulip shape

Philips Easy Natural Curler has a unique Tulip shape for creating stylish, natural curls like no effort went into it.

One touch clip and curl

The Philips Easy Natural Curler's clip and curl plates automatically clip and hold the hair strand while styling, so you can curl in a single movement and with just one hand.

Heat safe design

As the styling plates are protected from touching, you don't have to worry about getting accidental burns.

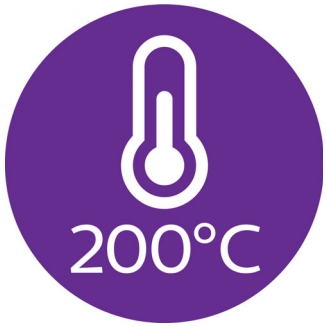
Light and compact

Philips Easy Natural Curler is light, comfortable to use and compact. Its slim handle and small size makes it perfect to carry around.

Protective ceramic coating

The protective ceramic coating of the curler's plates ensures even heat distribution and less hair damage for shiny and soft hair.

200°C styling temperature



A professional temperature of 200°C guarantees nice results even on thick hair, while minimizing hair damage.
